Dear Sir:

I am in receipt of your letters of 5 August and 22 September 1952 which state that processing is continuing on my application for employment with your organization.

This is to advise you that I am still interested in such employment and will be available at any time. This is also to advise that I have recently resigned from my employment at the Washington Suburban Sanitary Commission since my duties there involved constant operation of a microfilm machine and required continuous standing. My resignation was effective 24 September 1952 and I may no longer be reached at that address and telephone number as given on my application. In the future I may be contacted at my home telephone, WARFIELD 71580.

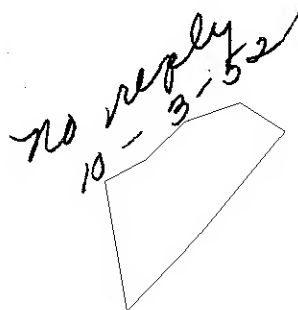

Your continued interest and courtesy in this matter is appreciated.

Sincerely yours,

*Myrtle W. Eller*
